

FLEXITY SOLUTIONS INC. ACHIEVES GOLD TIER IN 2019 DELL EMC PARTNER PROGRAM

Toronto, Ontario, April 08, 2019 , — FlexITy Solutions Inc. today is excited to announce it has re-achieved Gold tier status in Dell EMC's Partner Program for 2019.

As a Gold member of the Dell EMC Partner Program, FlexITy Solutions Inc. serves a key role in providing the essential infrastructure solutions for organizations to build their digital future, transform IT and protect their most important asset, information.

FlexITy serves a key role in providing the essential infrastructure solutions and managed services for organizations to build their digital future, transform IT and protect their most important asset, information. FlexITy enables their enterprise customers' IT and digital business transformation through trusted hybrid cloud and big-data solutions, built upon a modern data center infrastructure that incorporates industry-leading converged infrastructure, servers, networking and storage technologies. FlexITy works with organizations across Canada, in every industry, in the public and private sectors, and of every size, from startups to the Fortune 500. Their customers include banks and other leading financial services firms, manufacturers, healthcare and life sciences organizations, Internet service and telecommunications providers, educational institutions and public sector agencies.

Ron Stewart, EVP for FlexITy and responsible for leading the Dell EMC relationship says "FlexITy is an award winning IoT provider of consulting, technology and managed services. We focus on helping our clients align business goals with the best technology to drive competitive differentiation and value. We are very proud to have re-achieved Gold status with Dell EMC and now with unparalleled focus and our Dell EMC in-house experience and comprehensive capabilities across all industries, FlexITy will continue to collaborate with clients to help them become high-performance organizations."

FlexITy looks forward to continuing to partner closely with Dell Technologies throughout 2019 and as we look ahead to the digital future of tomorrow.
